

## Materials Safety Data Sheets(MSDS)

### 一、 COMPANY IDENTIFICATION

Company Name: Blue Stone Plastic Technology Co.,Ltd

### 二、 NAME AND COMPOSITION INFORMATION

Product name: PP Foam Sheet

Main ingredient: Polypropylene

### 三、 EMERGENCY OVERVIEW

Environmental management the substance meets the material requirements of the Environmental Management, that is Cd<2ppm Pb<2ppm, Other environmental substances prohibit the use of.

### 四、 FRIST AID MEASURES

Touch to the skin: none

Drink into the body: Please consult a doctor immediately

### 五、 FIRE FIGHTING MEASURES

Extinguishing agents: spume ,dry powder, carbon dioxide, water

Special hazards: Flammability, as for the flame may produce harmful gases or vapors.

Special protective equipment for fire-fighters: Wear breathing apparatus and protective gloves,turnouts.

### 六、 ACCIDENTAL RELEASE MEASURES

Personal Note:None

Environmental Considerations:None

### 七、 SAFE HANDLING AND STORAGE

Disposal: recycling

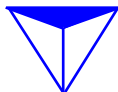

Storage: Store in a dry, clean, airy warehouse (the temperature at 0 ° - 40 ° C, humidity 30% -80%),

To avoid the heat and fire, and equipped with good fire-fighting facilities, flammable, explosive, toxic, easily contaminated items mixed during storage or shipment is strictly prohibited.

Transmission and avoid the sun, rain or moisture.

### 八、 EXPOSURE CONTROLS AND PERSONAL PROTECTIVE MEASURES

Exposure control: long-term exposure, carcinogenicity, without protection.

Materials Safety Data Sheets(MSDS)

**九、 PHYSICAL AND CHEMICAL PROPERTIES**

Status: solid	Material: PP
Odor: odorless	Color: Blue / black / white
Density :0.38-0 .67g/cm <sup>3</sup>	Heavy metal content: detailed in ROHS

※ **The above is a reference value, not a guarantee of value.**

**十、 SECURITY AND RESPONSE:**

The need to avoid the situation: extrusion, collision.  
The need to avoid substances:None  
Hazardous Decomposition Products: placed in the flame, detailed in fifth instructions.

**十一、 TOXICOLOGICAL INFORMATION:**

Acute toxicity: not yet accurate toxicity data.

**十二、 ECOLOGICAL INFORMATION:**

Ecological Impacts: no harmful effects to aquatic organisms, bioaccumulation capacity.  
Further ecological data: prohibits direct incineration.

**十三、 WASTE DISPOSAL:**

Products: recycling or disposal in accordance with relevant laws and regulations.  
Packaging: according to the relevant provisions.

**十四、 TRANSPORT INFORMATION:**

Transport: avoid the sun, rain or moisture

**十五、 LEGAL INFORMATION:**

Law: the workplace safe use of chemicals regulations [(1996), the Ministry of Labor 423].

**十六、 OTHER: NONE**
